

How to make BCFOA-TN.com work like an App on your Home Screen.

Apple IOS:

1. Go to BCFOA-TN.com in your Safari mobile browser.
2. Select the “share” icon (pictured).
3. Select “add to Home Screen”.

Android:

1. Go to BCFOA-TN.com in your Chrome browser.
2. Select the vertical “three dots” icon (pictured).
3. Select “add to Home Screen”.

*note: Symbols may differ depending on your preferred browser (Firefox, Microsoft Edge, Samsung Internet, etc.)

This is what it should look like on your home screen.
