 - Weather delay pushed harvesting to 7/30. Harvesting was completed by about 3 pm on the same day (faster than estimated; about 8 hours vs the 16 hours estimated for 8 residents). Only two offload trips were needed.
 - Waiting on payment from Girl Scout camp; all others paid. Anticipate partial refund to residents pending receipt of bill from CCSWCD.
 - Disposal location at Twentyman farm.

- Observations – Glad it was only a limited number of residents. Activity was fairly aggressive with a fair amount of sediment disturbed. A fair amount of eel grass cuttings were observed (suspect cutter isn't very effective at collecting).

- NYSDEC observation of sampling event scheduled for Monday 8/17/26.
- NYSFOLA Regional Conference 9/11/26.
