

The Song Lake Property Owners Association Membership Form

If you haven't renewed your membership yet, please use this form.

Why Your SLPOA Membership is Important

- We keep you informed about community and lake issues through our SLPOA Newsletters, Email Notices and the Website.
- We keep ourselves and the residents knowledgeable about our watershed by collaborating with SUNY- ESF, Cortland County Soil and Water and others to share the newest information and the best management practices for our lake.
- We are members of, and participate in, the New York State Federation of Lake Associations and the Citizen's Statewide Lake Assessment Program.
- We are a founding member lake association of the Cortland-Onondaga Federation of Kettle Lake Associations.
- We help organize lake activities and have a lovely new tent available for members to use for a small donation (you must be a current member).
- We bring neighbors together with our Annual August Picnic.

Please circle your response to the following:

New or Renewing Dues will be applied to July 1, 2023– June 30, 2024
