MISSIONARY OF THE MONTH FOR FEBRUARY

Luke and Amy Nelson (see back page)

The missions team wants to thank everyone for the generosity of our congregation, as we
have sent a total of \$2,530 to Oleg, to help purchase generators.

Official Office hours: Monday – Thursday 1:30 PM to 4:30 PM. If you have something for
the announcements please email, text or leave a note by Wednesday afternoon at 4pm.

Pastor's office hours are Wednesday—Friday 1 to 4.

Luke and Amy Nelson are with Mission Aviation Fellowship, an aviation ministry that has been serving isolated people for over 75 years. They are preparing to serve in the southern African nation of Lesotho. Luke will serve as a pilot/mechanic; reaching out to isolated communities living in Lesotho's rugged highlands to provide medical care and access to the gospel. Amy will be home with their two children and hopes to share her faith with their neighbors through relationship building. They need an additional **\$1,800/month** in order to be fully funded before moving overseas. *To join their team as a prayer or financial partner you can visit Luke and Amy's web page: [maf.org/missionaries/lnelson] maf.org/missionaries/lnelson or contact Luke for other options.*

Meals on Wheels luncheons are available at Cheney United Methodist Church (204 4t St). On Tuesdays and Thursdays from 11 AM to 1 PM. A time to get a meal and to socialize, for anyone 60 years of age and up.

FEED Cheney is Monday the 30th. They supply meals and groceries and whatever else may have been donated to the organization (sometimes coats, sometimes they open the clothing bank, sometimes gas cards) This is a social time and everyone from the community is welcome.

Our church supports Feed Cheney financially, but they can always use more volunteers, especially those with food handlers permits. They are also always looking for free music entertainment for dinner.

Other local outreaches we support include Cheney Food Bank and Cheney Clothing Bank. They can always use more volunteers. Maybe you can't make a weekly commitment but even if you could once a month it would help other volunteers take a little time off, so they don't get burned out.
