# Global Partner spotlight: Collin and Elena Brown

Collin and Elena (Hein) Brown serve through Proclaim Aviation where Collin is a mechanic for the Moody Aviation program in Spokane (from which he graduated in 2022). He maintains the planes which are used by students learning to fly. Elena works full-time as a nurse at Sacred Heart Hospital. Together they have a heart for taking the gospel to places which are not easily accessible and would like one day to be stationed overseas.
