August Missionary of the Month: our own Christine Tatham

Christine is serving with Proclaim Aviation Ministries, as a powerplant instructor at Moody Aviation, training students to repair and maintain aircraft. Missionary aviators traverse some of the world's most forbidding terrain to bring bible translators, pastors, medical aid, supplies, and sustenance—all with the love of Christ—beyond where the roads end. Christine is part of this effort sustaining ministry at the ends of the earth by training missionary mechanics for overseas service.

Official Office hours: Monday – Thursday 1:30 PM to 4:30 PM. If you have something for the announcements please email, text or leave a note by Wednesday afternoon at 3:30 PM
