Made to Belong

We belong to God

We are made to belong to one another

We have opportunity to belong:

Here and now!

- In the entry, or at breakfast or a potluck!
- In a small group!
- With two or three!

Do want to belong?

What is your next step?

- What is the obstacle?
- Will you make it a priority?
- Will you seek to know the other?
- Will you be known?
- Will you be understanding?
- Will we be accountable to one another?

Will you be anchored and an anchor to others?

What is your next step?

Global Partners Highlight

Special Project

Short Term Missions

Moldova 2026

Our team from CCC is traveling this month to join up with our Global Partners in Moldova, New Hope Eurasia, Oleg & Marina Reutki. <https://www.newhopeeurasia.org/>

Our purpose is to gain a vision for how our church can connect to God's work in that part of the world. Oleg and his team have invited us to be a part of several of the outreach and service works that keep them busy throughout the year.

We will be visiting an orphanage, still a common institution in Eastern Europe as poverty and desperation drive parents to abandon children they cannot support. Also, a transition home where former orphan girls are given a safe haven before they can be swept up in human trafficking that many times originates at the exit doors of the orphanage. Here they learn God's Word, that they are loved and valuable, along with some family and home principles, and practical skills for employment.

Another outreach will be to the Roma communities who are a people with their own culture that has kept them from being included in the advances of other cultures. This isolation perpetuates distrust and hostility. Many Roma have not heard the Gospel because even the local church has its own issues with believing that this Gospel is for everyone, including the Roma.

Other outreaches include refugee families, first responders and encouraging the local church. It will be a full trip! Please pray for open hearts for those we will serve and for our team's safety and ability to yield to God's leading.

PERSPECTIVES CLASS

CCC will be hosting the world-famous PERSPECTIVES class this year for the West Plains area. This is an exciting opportunity to reach out to those who want to explore different aspects of God's global purpose in a multi-faceted learning experience.

This is far beyond missions as we know it; it is an opportunity to widen your perspective of God at work in the world around you!

The class starts at 6:30pm on Tuesday nights from Sept 8- Jan 19 with breaks for the holidays. The cost of the class is \$275. Our CCC Global Partner committee is offering \$100 to anyone from our church to offset the cost. See **Carla Hein** for details **(443- 221-3064)**

Find out more about this year's class and Perspectives at www.perspectives.org You can also talk with **Steve King (509-828-5805)** and flyers are in the lobby on the information table.
