GLOBAL PARTNER SPOTLIGHT

Our current Global Partner is Collin and Elena (Hein) Brown who serve with Proclaim Aviation on loan to the Moody Aviation program in Spokane. Collin works as a mechanic, maintaining the planes which are used by students learning to fly. Elena very recently started work at Life Services Clinic as a nurse but spends most of her time tending to Elijah their 2-year-old son. Together they have a heart for taking the gospel to places which are not easily accessible and would one day like to be stationed overseas.

REMEMBER to check the Global Partner notebook in the lobby below the world map. New updates on ALL our partners are added monthly!

Update on Kevin F. in Southeast Asia

Kevin is one of our long-term global partners. He recently had back surgery and the process was unexpectedly complicated and his recovery has been slow. However, he is making progress and he sends his thanks for your prayers and believes that is what sustained him during the difficult times.

*Because of the complications, the surgery was much more than expected and, after insurance, he remains responsible for \$8000. If you would like to contribute toward the cost, **you can give a designated gift in the offering marked with his name. Thank you.***

Operation Christmas Child (OCC)

We are collecting **School Supplies** at this time.

For your convenience there is a list in the basket on the wall next to the box.

See Mickey or "Smitty" Smith if you have any questions.

NOTE: If you don't see something you think should be there, it means we already have enough. Thank you so much!
