## Global Partners Highlight

K & H have been serving in Southeast Asia for more than 13 years. They live in a rapidly growing city of over 18 million people, where the average age is just 31. Their purpose is to encourage, equip, and empower the next generation to live with integrity, influence with love, and impact their communities for Christ.

They serve in a local public church, where K has a leadership role. This provides a safe and legal environment to teach, equip, and encourage brothers and sisters to live out their faith and positively influence their communities. Their primary public platform is business and leadership development. Through consulting and training with a global leadership organization, they build relationships with professionals, students, and community leaders.

Please pray for spiritual protection in a sensitive environment where people and officials can sometimes create challenges. Pray also for wisdom as they live out their faith, build genuine relationships, and look for God-given opportunities to share the Good News.

If you would like a more detailed newsletter, please contact the Global Partners Team.

**Due to the sensitive nature of their work, please don't share their information online.**
