While the Court provides a modest monetary stipend to temporary judges, serving as a court-appointed temporary judge is a great way to give back to your community while doing something intellectually challenging and personally rewarding. Also, if you have ever thought of becoming a judge or commissioner, serving as a temporary judge is an invaluable experience.

We hope you can join us for these **FREE** MCLE classes and lunch on February 4. If you have any questions about the classes or requirements for being appointed as a temporary judge, please contact Orlando Rosales at (209) 530-3287 or go to [California Courts: Temporary Judge Resources](#).

<sup>1</sup> Both classes will be conducted in person at the Modesto Main Courthouse. If the COVID-19 pandemic interferes with our plan, the classes may be conducted virtually. All registered participants will be notified of any changes.
