PRESIDENT'S MESSAGE

By Jeff L. Bean

Greetings to all members of the Stanislaus County Bar Association (SCBA). As the new President, let me first express appreciation for the service, sacrifice and dedication of the Officers and board members, including the Ex-officio, Rebecca Roberson. They each volunteer a substantial amount of their time and means for the success of the SCBA. I also want to express appreciation for our Executive Director, Deana Skelton. This is her third year as the Director and she is becoming a real asset and resource to our organization.

This year we are pleased to announce that the President of the California Bar Association, the Honorable Luis Rodriguez, has accepted our invitation to address the SCBA members for our Law Day event on May 2, 2014. This will be a great opportunity for our legal community to become more acquainted with those who have a direct impact on our respective fields of practice. I encourage all to come and support the Law Day events and welcome President Rodriguez.

I am pleased to report that because of a very generous donation from Union Bank, the Lawyer's Referral Service (LRS) now has funds to significantly increase its exposure to the public and to increase its ability to assist those in our community who otherwise could not obtain initial legal guidance. All too often the complexity of the legal process is baffling to the general public and these 30 minute consultations are most helpful in pointing the individuals in the right direction. For those of you who are not members of the Lawyer's Referral Service, and are willing to periodically donate 30 minutes of your time to assist our community citizens, contact our Executive Director for an application and to be reviewed for the LRS panel.

Because of the increased donations from the SCBA membership, we have for a second year been able to sustain two SCBA scholarships in the amount of \$1,000 each. Thank you for your donations. Additionally, we are pleased to announce that the Modesto 500 Lions Club has elected to provide SCBA with an additional \$1,000 donation for a scholarship award in memory of John Grisez, one of our local attorneys. The SCBA Scholarship Committee is currently taking applications of high school students demonstrating an interest in the law for consideration of these three scholarships. If you know of a high school student with an interest in the law, have them contact either their High School Counselor, or the SCBA Executive Director, for more information on the scholarship application. These scholarships will be awarded at the Law Day event on May 2, 2014.

For those who have not visited the SCBA website at stanbar.org, please take a moment to review the services and information available to you as members. New information and services are added regularly so visit regularly and often. Additionally, the website is set up to conveniently allow you to pay for the SCBA events and activities. For those who would like to contribute information or to advertise on the website, or if you have suggestions on how we can better meet your needs through the SCBA website, please contact the SCBA Executive Director.

The annual SBCA Golf Tournament will again be held at Dryden Golf Course in Modesto on May 31, 2014. This long standing tradition has become a favored SBCA activity. Already there is an atmosphere of competition as to which foursome will take home this years' coveted title. Despite all the bravado, and dare I say smack talk, we are looking forward to a most enjoyable event. Sponsorships are currently available. As usual, the foursome entry fee will include green fees, a golf cart, unlimited beverages during play, and lunch. For those duffers who need assistance, a limited number of Mulligan tickets will be for sale. We will also have a raffle for an opportunity to win great prizes.

As the SBCA President, I am looking forward to a great and successful year. A year of growth, accomplishment and building in our community. For those of you who are not yet members, I encourage you to come and see what the SCBA has to offer. For those who are members, thank you for your support.

Jeff L. Bean,
President Stanislaus County Bar Association
