State of Wyoming Department of Workforce Services Division of Vocational Rehabilitation Selects Sec-Ops Proposal for “The Delivery, Pickup and secure storage of DDS Data Tapes Program” servicing the Disability Determination Service (DDS) Program

Corpus Christi, TEXAS—March 7th, 2017—Sec-Ops Inc. announced that they were awarded the DDS Secure Tape Delivery, Pickup and storage contract commencing operations on March 15th 2017 by the State of Wyoming. Sec-Ops security professionals will provide all pickup, delivery and secure storage operations supporting the Wyoming Disability Determination Services program. Sec-Ops will be responsible for all contract requirements dealing with the Data Program for the DDS. The State of Wyoming selected Sec-Ops based on their best value pricing, experienced security management team, client references and technical approach for this important mission.

Sec-Ops certified personnel will support the DDS Program mission of secure pickup, storage and delivery. Sec-Ops is considered a value added service contractor to the State of Wyoming. The State of Wyoming approved the contract to Sec-Ops, Inc., a service disabled veteran owned small business, who maintains the quality team of seasoned security veterans and experienced security professionals to provide uninterrupted services supporting their critical operations mission.

Sec-Ops was quoted; “We are honored to be selected by the State of Wyoming DDS to facilitate this important program enhancing their mission. We are proud to continue our work with the State of Wyoming and we are confident that our operations management experience and quality response capabilities we have developed over our 11 years in the industry will ensure success for this important contract.” says Robert Lott - President, Sec-Ops, Inc.
