State of Wyoming Department of Workforce Services Division of Disability Determination Services Selects Sec-Ops Proposal for “Armed Security Guard Services” protecting the Disability Determination Service (DDS) Facility

Corpus Christi, TEXAS—May 11th, 2018—Sec-Ops Inc. announced that they were awarded the DDS Armed Security Services contract commencing operations on July 2nd 2018 by the State of Wyoming. Sec-Ops security professionals will provide all armed security operations supporting the Wyoming Disability Determination Services facility and personnel. Sec-Ops will be responsible for all contract requirements dealing with the armed security mission for the DDS. The State of Wyoming selected Sec-Ops based on their best value pricing, experienced security management team, client references and technical approach for the security mission.

Sec-Ops certified personnel will support the DDS Security mission of armed security services controlling access and the safety and well-being of the staff and customers. Sec-Ops is considered a value added service contractor to the State of Wyoming. The State of Wyoming approved the contract to Sec-Ops, Inc., a service disabled veteran owned small business, who maintains the quality team of seasoned security veterans and experienced security professionals to provide uninterrupted services supporting their security operations mission.

Sec-Ops was quoted; “We are honored to be selected by the State of Wyoming DDS to provide the armed security professionals needed enhancing their security mission. We are proud to continue our work with the State of Wyoming and we are confident that our security operations management experience and quality armed security professionals will ensure success for this important contract.” says Robert Lott - President, Sec-Ops, Inc.

About Sec-Ops, Inc.

Headquartered in Corpus Christi, Texas, Sec-Ops provides their valued clients with facility and security services ranging from integrated security solutions designed for today’s IT environments, quality trained security force personnel, and emergency management services.
