**State of Wyoming Department of Workforce Services Selects Sec-Ops Alternative Proposal for “Part-Time Security Guard Services” protecting the Workforce Services Facility**

Corpus Christi, TEXAS—May 24<sup>th</sup>, 2018—Sec-Ops Inc. announced that they were awarded the Part-Time Security Services contract commencing operations on July 2nd, 2018 by the State of Wyoming. Sec-Ops security professionals will provide all part-time security operations supporting the Wyoming Workforce Services facility and personnel. Sec-Ops will be responsible for all contract requirements dealing with the security mission for the Workforce Services. The State of Wyoming selected Sec-Ops based on their best value pricing, experienced security management team, client references and technical approach for the security mission.

Sec-Ops certified personnel will support the Security mission of security services controlling access and the safety and well-being of the staff and customers. Sec-Ops is considered a value added service contractor to the State of Wyoming. The State of Wyoming approved the contract to Sec-Ops, Inc., a service disabled veteran owned small business, who maintains the quality team of seasoned security veterans and experienced security professionals to provide part-time services supporting their security operations mission.

Sec-Ops was quoted; “We are honored to be selected by the State of Wyoming Department of Workforce Services to provide the security professionals needed to enhance their security mission. We are proud to continue our work with the State of Wyoming and we are confident that our security operations management experience and quality security professionals will ensure success for this important contract.” says Robert Lott - President, Sec-Ops, Inc.

**About Sec-Ops, Inc.**

Headquartered in Corpus Christi, Texas, Sec-Ops provides their valued clients with facility and security services ranging from integrated security solutions designed for today’s IT environments, quality trained security force personnel, and emergency management services.
