Corpus Christi Award Program Honors the Achievement

CORPUS CHRISTI August 9, 2019 -- Sec Ops Inc has been selected for the 2019 Best of Corpus Christi Award in the Security Guard Service category by the Corpus Christi Award Program.

Each year, the Corpus Christi Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Corpus Christi area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2019 Corpus Christi Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Corpus Christi Award Program and data provided by third parties.
