Strong Tower**KINGDOM POST**
August 2024

Happy August Partners. It sure has been a hot summer, so we hope you are all staying cool. There are so many exciting things happening around Kingdom Pillars StrongTower.

Over the summer, we finally completed the renovation of adding a second full bath and laundry room for the ST women!! Thank you, Claggett Construction (John & Tim) and Glasmeier Plumbing, for doing a fantastic job. We are also grateful to our anonymous partner for making this need a reality.

Our 1st annual Golf Scramble fundraising event that was put together by Malissa and Scott Moran and was a great success! Thank you, Village View Golf, for hosting this year's event. All the golfers had a wonderful time as well. Thank you to all our event sponsors LMH, Overmyer Jewelers, Jackie VanDorn (Remax), Community Bank (Tricia Ball), Pugh's Jewelers Newark, Johnstown Drive Thru (Dr. A. Staneart), Beverly Getter (Remax).

Thank you to all the hole sponsors Brucker & Kishler Funeral Home, Canes Chicken, Staneart Inc., Draft House, USW244 Union, Southgate Corporation, Pugh's Designer Jewelry, Boeing, Newark Nazarene, Surge Staffing, Cherry Valley Lodge, KB Designs, Rolls by the Pound, GolfWorks, Big Apple Cafe, Dunkins Diamonds that also made this event successful. Thank you, KP team members and volunteers, for serving all day and our caterers Heidi and Dave Jenkins. We couldn't do this without all of your support.

ST resident Megan has graduated from the KP program. Megan also completed her high school diploma. KP planned to have an open house style graduation party (August 17th) at the KP home however that will **not** be happening after all per her choice. If you would like to bless Megan please mail cards for her to Kingdom Pillars PO Box 108 Newark, Ohio 43058, any checks can be made out to Megan Yantes. Megan worked very hard and was in the program from March 2023 until August 2024. We hope you all will bless and congratulate her.

Coming October 5th, 2024, The 5th Annual Walk A Mile In Her Shoes. More Information Soon!

FROM THE EXECUTIVE DIRECTOR

This is my favorite time of the year as temperatures begin to cool down a bit and we head into fall. I enjoy watching God's creation shed the years "stuff" so to speak as leaves change colors and begin to fall. Pumpkin spice everything!! Also, kiddos are getting ready for the new school season as teachers get their classrooms ready. Plus, OSU football season is right around the corner – GO BUCKS! All around this time of the year represents change, reflection and growth. Kingdom Pillars has definitely experienced all of that throughout spring and summer. The Strongtower women got jobs, finished high school, learned to drive and we had one graduate the program.

This past season was also a time of loss for many. On June 2, 2024 we lost and heaven gained our precious friend and KP Advisor Diane Holt surrounded by her husband, children and her

sister. Diane and Joel have served faithfully on the Advisory team for two years. I ask that you keep her husband Joel and their five children in prayer.

Former Art Therapist Heather Reese made the decision to resign from her position at KP as her Mother's health declined and to help her daughter through a difficult pregnancy. Heather's Mother Carol Anne Thomas joined Diane on June 22, 2024. Please keep Heather and her entire family in prayer.

Former Board Vice President Pam Groomes also was led to resign from her position as her Mother's health declined and quickly. Pam's beautiful Mother Patricia McAlister passed away peacefully on July 25, 2024. Please keep Pam and her family in prayer as well.

Jay and I and our family got through the two-year anniversary of our son Jojo's passing July 21st. To all who have experienced loss we pray for you, we believe one day we will all be reunited and have one big reunion.

Psalm 49:15 But God will redeem my soul from the power of the grave, For He shall receive me Blessings,

Darcey McCampbell
