KINGDOM PILLARS
Strong Tower

FROM THE EXECUTIVE DIRECTOR

Greetings KP friends & family fall is upon us. Thank you all so much for your ongoing prayers, support, and to all our volunteers that help this engine run so smoothly. Big exciting things are happening with Kingdom Pillars and we have many wonderful opportunities for you to choose from. Closing on the Strong Tower home for the ladies is coming soon, our closing date is October 15th!! Financing for the home has been secured through fundraising, donors, pledges and "S". We were able to secure just over half of the monies and we secured financing for the other half of the homes purchase. This being said the opportunity to jump on the Capital Campaign wagon is still needed as we would like to get this entire loan paid off immediately. **Please see the last page for information on the Cares Act and your donation through 2021.**

If you haven't checked out the KP website in awhile please check it out: www.kpstrongtower.org

2ND ANNUAL

WALK A MILE IN *her shoes*

A WALK AGAINST HUMAN TRAFFICKING

ABOUT THE WALK

Join us in our effort to raise support and awareness for the women 18-25 years of age, aging out of foster care and/or have been trafficked.

The one (1) mile walk will take place October 16th, 9-11 a.m., Downtown Newark at the square. *You are welcome to walk in person, individually or with a team you form, that day or on your own, anytime, any place.* Through social media and our website we will keep track real time of donations and the leader board. Through the Facebook Event and on the website we will post information, testimonies, special guests, encouragement and updates.

OUR GOAL

Our goal is \$50,000 to provide housing for our young women that will soon be living at the Strong Tower home. Your goal is to raise \$200 or more! Every \$200 pays for approximately one week of living expenses for one young lady. Sponsors can give online (*preferred*), by check or cash and you will then bring to the walk or mail to us. *How many weeks and how many ladies will we be able to keep safe and help?*

Walkers that raise \$200 will receive the custom Kingdom Pillars cinch bag and other free stuff! You can reach the goal by asking 10 people to give you \$20 each! There are additional gifts at the \$400, \$600 and \$800 levels as our way of thanking you for walking and raising support to help us.

ABOUT THE FOUNDERS

DEYLYNE (JAY) & DARCEY MCCAMPBELL

After more than 20 years of fostering 79 children and adopting 9, Jay and Darcey McCampbell know fostering! They know the array of family problems that send children into the system. They know the personal trauma children experience even when in the best of foster care. And sadly, they know the devastation so many suffer in the very system that should be protecting them.

Having each experienced trauma at an early age, Jay and Darcey personally relate to the brokenness caused by sexual abuse; drug and alcohol abuse; and broken families. But having equally experienced healing and restoration, they know how to walk alongside others to bring hope and make a strong future a reality.

Jay serves as President of Kingdom Pillars' voluntary Board and Darcey serves as Executive Director.

Extended Tax Deductions for 2021 Makes it Easier to Give

The universal deduction for charitable contributions has been extended to include gifts made in 2021.

Without itemizing, an individual may deduct up to \$300 (\$600 for a married couple) in annual charitable contributions in 2021.

Those itemizing in 2021, may deduct contributions up to 100% of their adjusted gross income.

Corporations may increase giving to 25% of their taxable income.

Your donors will want to consult with their tax preparer for specific details, such as:

- Contributions made by cash, check, credit card to a 501(c)3 tax-exempt organization qualify. Property, clothing/goods, and stocks do not qualify.)
- Contributions made since January 1, 2021 may be counted toward the \$300 cap. (Donations to a donor-advised fund (DAF), and some other select funds/foundations do not qualify for the deduction.)
- Taxpayers will list it as an adjustment to income on Schedule 1 of Form 1040, and then deduct it from their gross income (along with any/all other adjustments to income) on the first page of their 1040.

Great News for Major Gifts

Itemizers may deduct contributions up to 100% of their Adjusted Gross Income (AGI). For example, if someone's AGI is \$100,000, they may deduct \$100,000 in charitable contributions and wipe out their income tax liability entirely.

Donors who use this provision must tell the IRS. Any contributions in excess of total AGI may be carried forward for up to five additional years

Corporations

Usually giving is limited to 10% of taxable income for the corporation. That limit has been increased to 25% of the taxable income, making charitable gifts much more attractive to business donations.
