

2017 BIRTH OF A NONPROFIT

People told us we should start a nonprofit to do what we've been called to do. So we did, at the end of 2017

2019 FOCUS & SHARING THE MESSAGE, MENTORING

Central Ohio Women Aging out of Foster Care/Trafficked; Adoptive Families

~Reformed the Board. ~Confirmed our mission and created an initial Strategic Plan. ~Assembled an Advisory Team. ~Began inviting others into the mission and Strong Tower program. ~Celebrated two of our mentees moving into an apartment with some financial & housing support. ~Ongoing mentoring/connection with around **100 women**.

2003 VISIONS & DREAMS

Safe Haven, Hope, & Restoration

After more than 20 years of fostering 79 children and adopting 9, we realized our work didn't end with the last child leaving home. The Vision has always been clear, but HOW to make that happen hasn't been.

2018 ROCKY START

We learned what not to do as a nonprofit. We paused the mission until we could get back on course.

2020 (SO FAR) BUILDING CAPACITY & MENTORING

Infrastructure, Mentoring, Strong Tower

~Corrected the 2018 problems. ~IRS/State Filings. ~Created Communication tools: website, brochures, newsletters. ~Assembled Development Team. ~Defined Scope & Sequence of the full Strong Tower 2-year program. ~Established Network of Community Partners. ~Assembled mental health resources. ~Fundraising. ~Pursuing a safe location for Strong Tower women to call home. ~**8 young women** require direct help & resources along with mentoring.

Kingdom Pillars provides services and support to Central Ohio women, ages 18-25, who have aged out of foster care/been trafficked; and to fostering and adoptive families committed to providing loving homes.

2021 A LOOK AHEAD

Strong Tower Home & Personnel

To fully offer Strong Tower, we need a safe haven for women to call home. Though COVID-19 slowed our progress, we hope to have the building/land at least identified by end of 2020. We expect to begin raising funds for the building, and administrative and program staff. Currently, much of the administrative and all the mentoring work is self-funded and volunteer.

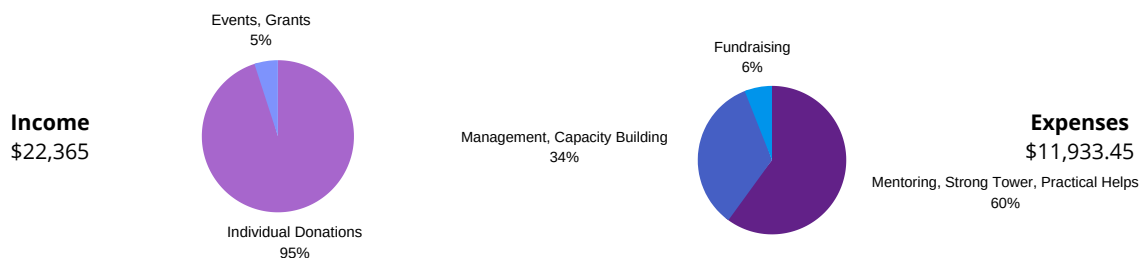

FROM "KC"...A MENTEE LIVING HER BEST LIFE NOW

I grew up in and out of the foster care system, was raped the first time at age four by my then foster father's brother. Over a period 13 years, I was in 11 different homes all of which I was abused in. I met the McCampbells at their Mentoring group and they have been in my life since. They loved me when I didn't know how to love myself. They have stayed in contact, been present and for that I am grateful. I am so excited about the Strong Tower project!

A WORD FROM DARCEY, CO-FOUNDER & EXECUTIVE DIRECTOR...

Dreams that Matter...Big Dreams born out of personal tragedy...often take longer to become reality than we could ever imagine. After decades of praying, hoping, striving, wondering, and waiting, we are seeing the Dream becoming real!

Through Kingdom Pillars, women of Central Ohio will have a place to call home when they age out of foster care and all they have is a trash bag to hold the contents of their shattered lives. Young women, who have been trafficked, will find a safe haven to heal and restore. Young women can become a whole person for the first time ever.

The people, the place, and the path are all finally coming together so these women can have a victorious future! Won't you join us in making the Dream a reality?
