

We want to thank everyone who attended the 3rd annual banquet this year and the many volunteers who helped make it successful.

To date, we have been able to raise \$75,643.02, and this does not reflect the pledges that came in, as those are all still being processed. The Strongtower ladies are also grateful that they sold so many of the items they created and that you all were so kind as to purchase them. You may now view the banquet (minus the Leap of Faith Dancers, as that part was missed 😞) by going to the kpstrongtower.org website or clicking this link [Watch Now](#)

Below are just a few of the photos from the speakers, and

more photos can be found on the website.

Hearing from several of the Strongtower survivors, both past and current residents, was a beautiful moment. Ladies, we are so proud of you and your bravery in getting up and sharing part of your testimony. Thank you!!

FROM THE EXECUTIVE DIRECTOR

As summer is "trying" to peak through these rainy days, there is sunshine, which is always a beautiful time of the year. Flowers and trees bloom, birds sing, and the KP Strongtower home is simply beautiful! Thank you all for attending this year's banquet and those who could join us for the follow-up Open House. It was wonderful seeing so many new partners!! I would also like to say how proud I am of Mikayla, Alleeha, Nelly, and Megan, who bravely shared part of their personal story with those who attended. It is not easy to get up in front of so many and share your past, pain, or trauma; however, these women all

have found their voice and were willing to share theirs with you. It was beautiful. Thank you to all the Underwriters who covered the entire cost of this year's banquet. We appreciate you!!! I am hoping to see those of you who golf in August also get your team of four set up today.

Many blessings to you all.

Sincerely,
Darcey McCampbell
