

WHO ARE WE?

Every Child Promise

Kirkwood Area Every Child Promise (KAChP) is a community collaboration to ensure that all Kirkwood area children and their families are prepared for success as they enter kindergarten.

HOW YOU CAN HELP

Proceeds from this year's golf event will be used to provide programs and space to strengthen Kirkwood area families. We invite you to support the important work of KAChP that will build community connections and create opportunities for learning and growth for our youngest citizens. Through scholarships, educational opportunities, nutrition programs, and enhanced access to health and mental health services, our efforts to promote family wellbeing can empower children as they prepare for kindergarten, and will strengthen our community as we work to improve our life together. You can find a more detailed list of our partnerships and projects at KAChP.org.
