

Beginners' Quilting Workshop

\$40 per person

Includes instruction,
fabric and batting

Class is limited to
20 participants

Sign up by Feb 23rd, 2024

Saturdays, March 23 and April 13, 2024
9:00 am – 4:00 pm

Lee Country Farm Bureau Auditorium
McSwain Extension Education & Agriculture Center
2420 Tramway Road, Sanford, NC 27332

Participants will make a small quilt (48 x 48) from start to finish. They will learn rotary cutting, piecing, adding borders, marking, simple machine quilting and binding. Sewing machine and basic sewing skills are required. A complete supply list is on the back of this flyer.

**Contact instructors: Jeanne Lloyd 719-338-7787 or
Crystal Gers 910-916-6901 to register or for more information.**

*Sponsored by:
The Hearts & Hands/ECA Quilters Guild

Supply List for H&H/ECA Quilting Workshop

- Sewing machine in good working order and knowledge of its use (Bring your manual)
- Extension cord and power strip (if you have one)
- Neutral 50 weight thread (tan or off-white) for piecing
- Self-healing cutting mat at least 18" x 24"
- Rotary cutter (45mm)
- Rotary cutting ruler, preferably 6 ½" x 24" (6" x 24" is okay)
- Straight pins (fine is better)
- Large (#2) safety pins (approximately 60)
- Dressmaker's tape or metal tape measure that locks in position
- ¼ inch presser foot (strongly recommended)
- 12 ½" square quilting ruler (if you already own one)
- Walking foot (if you already own one)
- General sewing tools (scissors, seam ripper)

The Hearts and Hands Quilting Guild will provide the fabric and batting to complete a quilt approximately 48 inches square.

In addition to learning how to use a rotary cutter, you will also learn:

- ✓ accuracy in piecing
- ✓ how to add borders
- ✓ how to mark your quilt top for quilting
- ✓ how to prepare the backing
- ✓ how to layer the quilt in preparation for quilting
- ✓ how to quilt your top using your machine
- ✓ how to prepare and attach a continuous, double fold French binding

Please bring a lunch

Microwave, refrigerator and drink machine are available
