

## 2026 Mystery

### Clue 1 – Four Patch

From Color 1, cut 2 squares  $2\frac{1}{2}'' \times 2\frac{1}{2}''$

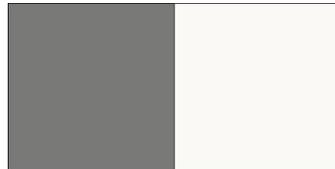

From Background, cut 2 squares  $2\frac{1}{2}'' \times 2\frac{1}{2}''$

*(If you want to strip piece your 4 patches, use  $2\frac{1}{2}''$  strips)*

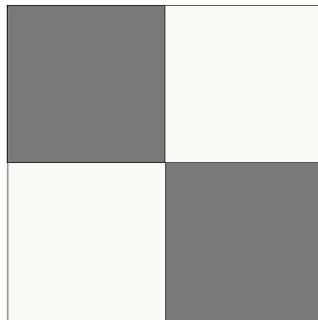

Sew a Color 1 square to a Background square

Press to Color 1

Make 2 rectangle units

Sew the 2 units together and spin the center seam

The Four Patch should measure  $4\frac{1}{2}''$  square

### Make 30 Four Patch Units

*Table Runner Option – Make 10 Four Patch Units*
