From green:

Note: the easiest way to cut the yellow shapes is to cut a $1\frac{1}{2}$ " strip, fold it RST and cut mirror image shapes

From brown: cut 4 = $1\frac{1}{2}$ " circles

Sewing Instructions (press all seams open):

1. Snowball the rectangular corners of all the yellow pieces and trim to make sure that they are still $1\frac{1}{2}$ " x $3\frac{3}{8}$ " and square on the end that was snowballed. (See the numbers in the diagram above)
2. Sew the $2\frac{3}{8}$ " triangle (white or green) to each of the snowballed shapes making a larger triangle
3. Sew the resulting triangles together into four squares
4. Assemble the four squares as a four patch
5. Applique a $1\frac{1}{2}$ " brown circle to the center of each flower
6. Repeat 3 more times and rotate the squares to make the block

**To make the entire block, multiply all quantities by four
This is a 10" finished block**
