

The five clues complete the units that make the blocks that were designed for the quilts.

Here are the blocks;

But it's your quilt.

You can choose to make different blocks with the units

If you want to add sashing, it should be cut at $2\frac{1}{2}$ "

The measurements include a sashed border with cornerstones with Color 1 as the sashing and Color 2 as the cornerstones

The quilt was designed with an inner and outer border.

The inner border was cut at $1\frac{1}{2}$ " and is Color 2.

The outer border was cut at $3\frac{1}{2}$ " and is Color 1.

The binding was planned to be cut at $2\frac{1}{2}$ "

Table Runner was designed with the block on the left placed in the center
