WHO WE ARE

The 204 Cultural Arts Municipal Building (The 204) envisions a vibrant, connected community engaged in discovering, exploring, and creating. The supportive power of extended family in all its definitions is embraced, as is the belief that the spirit and energy of community, and our participation in it, empowers and transforms. The heartbeat of the Harwich Cultural Districts, The 204 nurtures the voices of artists, and creatives, works to cultivate leaders who lift up our people and works to attract individuals and organizations to provide community programs and resources that will drive the community forward. The warmth, enthusiasm, and unity of our cultural hub echo throughout Harwich and Cape Cod, and serves as an example of inclusive art making, kinship, and cultural expression. The 204 is a place where art happens, business happens, life happens and community grows. It starts a dialog and social infrastructure is fostered. Take a look around, join in our journey, smile and have some fun!
