

# Traffic Sign Aquisition

9-15-2023

The Eastern Madera Fire Safe Council is pleased to report that in August of 2023, the California Fire Foundation awarded us a grant in the amount of \$14,500 for the purchase of our Portable Matrix Sign. We are happy to report the sign has been picked up and it is on it's way home. This sign will provide notification of wildfire hazard fuel reduction roadwork implemented by the Fire Safe Council for years to come, mitigating a significant FEMA rental cost rate of almost \$900 per week. With their generosity, the California Fire Foundation's grant award will allow us to funnel the funds saved back into hazard fuel removal, away from costly rental costs.
