

**Chase Creek Swim Club
Pavilion Reservation Form 2021**

Please complete the following form to begin the reservation process for the Chase Creek Swim Club Pavilion. Once the information is received, we will call or email you to confirm the reservation. **A pavilion reservation is available on a first come, first serve basis.** The total number of guests may not exceed 20 during Summer 2021.

Pavilion reservation includes:

- Use of ½ of the pavilion and a portion of the tables and chairs (parties are encouraged to set up on the side closest to the refrigerators)
- 2-hour time slot plus set up time
- Use of 1 refrigerator (space available/coolers are suggested)
- Use of the gas grill (separate \$20 tank fee if used, or bring your own tank)

A pavilion reservation does not allow exclusive access to pool facilities. Please be prepared to share the pavilion, the pool, and all the amenities that are open to all pool members.

For the safety of everyone, all members of the party must follow pool rules and respect the authority of the lifeguards. In cases of inclement weather the facility may have to close portions of the pool and surrounding areas for safety reasons. For pool rules see <https://chasecreekswimclub.com/rules-%26-bylaws>

It will be the responsibility of the party to clean the pavilion area used to its original condition. The tables and the ground should be free of grease, charcoal, food debris and other trash articles before leaving.

****Please have guests park in the lot below the pool**
