

Dear CCSC members,

Summer is underway, and our pool hours are now expanded with the pool opening at 11:00am every day except for at noon on July 9 & July 16. We hope you enjoy long, fun days at the pool!

Also, please remember no glass is permitted on the CCSC grounds. Broken glass poses a safety threat to members and to lifeguards when they are cleaning up.

There is a recycling bin near the bathrooms so please try to bring all of your recyclable items there. Thank you!

We hope you have a great July 4th weekend.
