

Hello to all of our current and future pool members!

We hope this email finds you healthy and starting to think about warmer days this summer! We recently had a board meeting on January 31st and wanted to share some important updates. We have two new members of the extended volunteer team. Please welcome: **Swim Team Manager- Tim Libby Associate Member Representative- Megan Rosenblatt**

Tim will be responsible for leading our Chase Creek Blue Crabs this season! Not only did he grow up in Winchester but also was a Blue Crab himself and holds the 8&Under 25 free record! Additionally, a huge thank you to **Sonya Williams** who has dedicated countless hours these past few years to ensure our swim season was a success. Thank you! We are fortunate that Tim will have the assistance of **Susan Hamilton** to organize and prepare for meets. Thank you Susan for continuing to support the team. Lastly, our team has been fortunate to have **Bob Sanderson** representing Chase Creek as the GASL (Greater Annapolis Swim League) representative. Bob also serves on GASL's board, so this year, we have asked **Suzanna Navarro-Monzo** (a member of our board) to take on this responsibility. Thank you Suzanna for committing to this.

In addition to the swim team volunteers, we have a new Associate Member Representative this year. Please welcome **Megan Rosenblatt** who will represent those associate members and the insight/perspective they bring to our community. Another huge thank you to **Kerry Petz** who has served in this capacity for many years and not only brought valuable insights, but also supported the many projects and initiatives over the years for improvements.

We have a wonderful community of members! Without your commitment to the pool and willingness to volunteer- we wouldn't have this treasure to enjoy each summer. Our next board meeting is **March 4th**. Your board is hard at work to outline the strategy for this season and will share more information in the coming weeks. **We hope to post this season's registration at the end of February, so please watch for updates on our website and via emails!**

Many thanks to each of you for your support of our pool!

Sincerely,  
Your Chase Creek Board
