

Chase Creek Swim Club Mid-Summer 2022 Newsletter

It's been fantastic seeing so many old and new CCSC families relaxing at the pool this summer!

If you want to share what you love about our pool or any suggestions for improvement, feel free to drop a comment in the comment box on the pool grounds or refer to the [website](#) for more ways to reach the pool board.

If you want to get involved and volunteer to help maintain and improve various aspects of CCSC, let the board know!

Upcoming Board Meetings

Please note that all board meetings are listed on our [website](#).

- 7/21/22 (7:00-8:30pm at the pool)
- 8/25/22
- 9/15/22
- 11/3/22 *Annual Membership Meeting

Except when designated as a closed board meeting (i.e. meaning only board members), pool members are welcome to attend board meetings to listen. Board meeting agendas are usually quite full. Please note, when time allows, there will sometimes be a brief period at the end of board meetings to allow members to ask questions or give comments. The CCSC Board follows the Robert's Rule of Order which places Unfinished Business, New Business, and Announcements toward the end of the meeting.

The Annual Membership Meeting in November follows a different format than the rest of the standard board meetings. During the Annual Membership Meeting, bondholders and the Associate Representative vote on the budget for the following year, board nominations to fill any vacancies, and any other items put forward by the board for discussion or vote. Members may request topics be added to the agenda for this annual meeting but must do so by the 9/15/22 board meeting so the board has time to consider and finalize before the 11/3/22

meeting.
