

Dear Chase Creek Swim Club Members,

On behalf of the Board, we'd like to thank you for your membership and a great swim season! We can't open each season without your support, and we are incredibly grateful to those who joined our pool this summer and generously contributed.

This season, we had 678 members comprised of 178 applications (families). This year our board worked hard to establish much needed processes and addressed a few critical maintenance projects. We know we have more work to do, and we'll be working hard in the off-season to prepare for our 2022 season. We would also like to sincerely thank the many members who generously contributed resources and their time for pool improvements. Please visit our website to check out our Gratitude page.

Other importance announcements and reminders:

- **Boat Storage:** We have spaces available for outdoor boat storage during the off-season in our pool's parking lot. We've already booked about 50% of our spaces, so if you're interested, please visit our website to register and pay!
- **Final Clean up:** We'll be sending out an email shortly for anyone who'd like to help us close the pool and move deck furniture, etc. Our winterization and cover will be put on the pool this coming Wednesday, 9/15/21.
- **Pool Management Company:** We're always looking to improve and will be sending out an RFP to investigate hiring a different pool management company as our 3-year contract just concluded. We've already had our first meeting with a potential new company and appreciate all of those members who provided feedback and shared concerns. We value every piece of feedback and thank you for being additional eyes and ears to promote safety and quality at CCSC.
- **Annual Meeting:** Our next meeting will be virtual on 11/4/21 at 7:30 pm. We will soon be sending a link and agenda for this meeting during which our various board committees provide updates and bonded members vote on the budget for next year and on nominations to our board of directors.
- **Joining the Board:** If you have any interest in serving on our board of directors or would like to suggest someone, please contact Jessica Johns at secretary@chasecreekswimclub.com or Heather Robey at membership@chasecreekswimclub.com. They are the co-chairs of our nominations committee.
- **2022 Registration will be available in February 2022. Please look for communication and registration information after the new year!**

Thank you again, we wouldn't have CCSC without you!

Andi Gendell & the entire CCSC Board
