

DISPENSER **VALANCE**

REPLACEMENT KITS

PPC IS YOUR “ONE-STOP” SOURCE FOR ALL OF YOUR VALANCE NEEDS

Looking for an easy and cost-effective way to bring life to your existing dispensers?

PPC manufactures replacement valance assemblies for almost any dispenser model from Wayne, Gilbarco, Tokheim and Slumberger. Pair these assemblies with our side column kits to make your entire dispenser look brand new.

Durability

PPC valances are made with OEM-equivalent materials and a durable powder-coated finish to resist corrosion and UV fade – providing you many years of trouble-free service.

Easy Installation

All assemblies ship complete with mounting brackets and fasteners for a fast and easy installation with simple hand tools.

Branding

Valances are available in any color and can be shipped plain or fully-branded with a custom graphic overlay already installed. PPC produces in-house graphics for most major oil and fuel station brands.

Fast Turnaround

We keep most valances in stock and ready to ship to provide the best lead times possible. Call your PPC representative today to order your valance package.
