## Placing your order

Weddings/Special Events with a large guest list:

Timing - Please allow as much lead time as possible. Two to four months is ideal, but we can sometimes accommodate rush orders (i.e. cakes booked less than seven days before they are due to be delivered). An additional \$150 will be charged for rush orders that are seven days out with a large guest list. All orders will require full payment to ensure the date of your event. Split payment/deposits are also available upon request.

Flavors - We offer a wide variety of cake flavors and buttercream. Seasonal flavors are available upon request. Please choose from our menu option. At this time we offer very limited gluten free and vegan options. All of our baked goods are made from scratch using only whole and natural ingredients.

Tasting - Offered by **appointment only** and upon availability. The cost is \$35 for three cake flavors and three buttercream flavors of your choice. \$50 for four. \$65 for five. We will use this time to explore options for your custom cake design. Feel free to bring along any style boards, swatches of colors, stationery, images, or anything else that may garner inspiration for your cake. You may also browse through our portfolio. Although it does happen, we limit copying other Cake Artists' work, but will use the image to draw inspiration on or add something that is unique to you. Imitation is certainly a form of flattery, but we strive to remain true to our designs. Because planning special events can be an overwhelming process and different opinions will vary with a large party, we ask that scheduled cake tastings be limited to the bride/groom only and if needed 1 extra person (family/wedding party member or event coordinator). We can certainly make exceptions for more, however any additional participants will be charged \$15.

Delivery - Available upon request or you may choose pick up at a designated location.
