

August Newsletter

The August Long Weekend is going to be a busy one! We are having our 3rd Annual Garage Sale on Saturday Aug 5th and we are expanding our sale to include Perennials, Bake Sale, and Artisan crafts. We will be serving breakfast and lunch for a donation, come have a cup of coffee with us or join us for lunch. There will be burgers, sausages and hot dogs. We would love to see you all. Then on Sunday Aug 6th join us for our Halloween celebration. There will be trick or treating in the park, all the children can join in and go trailer to trailer for treats, as well, we have a special Haunted surprise!!!

It's so great to see everyone taking such great care of their sites; people have taken great pride in their little getaway here at the Park. We are doing our best to keep up with the grass cutting and general maintenance. The pool has been a bit of a challenge keeping it up to 80, however, it is 85 today! Great day to go for a swim!

The weekend of Aug 10 – 13 is Shelburne's Annual Music Heritage Festival (formerly known as Fiddle Weekend) there is always great music and great food in town, plan to attend you won't be disappointed.

We are planning on having our own personal camping weekend, we haven't figured out the details but on the weekend of Aug 25, 26 and 27th we are having a Travis Camping Weekend. We will have limited staff and we will be unavailable except for emergencies only. There will be no outside camping reservations taken, and we will block off time at the pool for our own personal use and time at the barn as well. As we figure out the details we will make them available to the campers, but consider us on holiday at our own home. This is not a reason to break the rules, have excessive noise or any other behaviour that would make us come to your site to give out a warning. We know you will respect our private time and we thank you for allowing us to be a little selfish for one weekend this summer.

We will also start planning our year end BBQ after this long weekend it will be Sunday Sept 3rd and the events that go along with it. Penny will start selling the year end draw tickets to the seasonal campers; they are \$20.00 each with a cash prize, winner to be drawn at the Year End BBQ.

Please continue to donate your beer, liquor and wine bottles to our bottle draw. Donations will go to our charity of choice as well as some of the donations coming back to the park, our goal is to purchase a new swing set and have it installed by the start of 2018! Special thanks to Ed Gallant, even though they have sold their trailer, he continues to come weekly to gather up the empties and return them to the beer store for deposits. We wish Ed and Jill all the best in their new adventures as they give up camping for now and we hope to see their smiling faces for many visits throughout the season.

Many of you have heard we are looking into expanding our serviced seasonal lots into the back field; we should have more information soon with drawings and pricing this month. Once we have our plan of action with dates and such, we will pass along the information to our campers; we are excited to bring more hydro into the park, to help resolve some of our issues we have experienced over the years. This could allow us to do so many things that we have wanted to do for some time now that benefits all of you.....More good things to come.... Stay tuned.....

Wil, Rose, Roni, Billy, Robyn, Sophie and Jesse
