To our valued clients and associates,

Re: Update of store re-openings

Since our last update, My Foot has progressed well towards our re-opening. We have developed and are now in the process of implementing the My Foot COVID-19 Safety Plan - which identifies our physical and operational best practices for the new era. With each of the My Foot stores only at various stages of completion we will postpone the re-opening to a date to be determined later.

We again stress that our top priority is the health, safety and well being of our entire community. We will ONLY re-open when we feel our staff and facilities are ready and when we have responsibly taken ALL the necessary precautions.

Selected store locations are undergoing physical distancing and cleaning measures, including:-

- Painting of walls and partitions
- Deep sanitizing surfaces/air vents
- Installing sneeze guards
- Removing workstations.

Head Office is actively procuring vital equipment, including:-

- Hand sanitizers
- Gloves
- Face masks
- No-Touch thermometers

We are diligently navigating this new normal and will keep you informed of developments as they unfold. We thank you for your patience and understanding throughout this period and look forward to your future patronage.

If you should require any further details, please visit our website www.myfootcanada.ca or email us at HELLO@myfootcanada.ca.

Yours truly

My Foot Reflexology
