### ACADEMIC PROGRAMS

The Bachelor of Arts in Biblical Studies is intended to offer students a general foundation upon which to build a life of professional ministry in the area of Theology.

#### **Program Objectives:**

#### Upon successful completion of this course of study, students will be able to:

- 1. Explain from a Christian perspective the historical, philosophical, and spiritual purposes and developments of the present day Christian Church.
- 2. Discuss how the church has drawn closer and closer to the description of the apostate institution presented in the book of Revelation, and how the need may be addressed.
- 3. Discuss the steps necessary in the preparation of an effective Christian minister.
- 4. Discuss the steps necessary in the establishing of an effective Christian Church.
- 5. Design and implement an effective preaching and teaching plan for a local church.
- 6. Demonstrate ability to engage in biblical and theological research needed for entry into graduate programs.
