Description

The Music Field of Study Curriculum is designed for students seeking a bachelor's degree with a Minor in music or a related discipline.

The Field of Study Curriculum for Music consists of 18 semester credit hours (SCH) of courses broken out by categories. These courses are applicable to a Bachelor's degree with a minor in Music.

Keyboard (piano) proficiency is a requirement for most Baccalaureate degrees in music. Instruction in keyboard skills is generally offered in the first two years of undergraduate study. Keyboard proficiency courses approved for transfer are courses in group piano or applied piano lessons that concentrate specifically on the development of skills for passing keyboard proficiency examinations.
