Thanks for your interest in **Blitz Builders**. Below you will find the building quote!  
If I may be of additional assistance to you please feel free to give me a call at  
(502).633.1071.

One 46'x 40' clear span **Blitz Building** with the following features:

- 12' Inside Height

- **6"x 6"** treated support columns. (We use only .6 treated columns. This means they are approved to be embedded in the ground) Anchor pads are nailed around the bottom of each column.
- (1) 2"x 8" .6 treated splashboard nailed around the entire perimeter of building.
- Pre-engineered, southern yellow pine roof trusses **with dual truss supports**.
- 2"x 6" wall girts, nailed to a maximum of 36" on center.
- 2"x 4" roof purlins 24" on center.
- 2"x 4" truss ties run continuously from end to end of building.
- 2"x 4" diagonal braces run from peak to sidewall across all four corners. These guard the building against twisting and racking in the wind.
- All lumber is #2 or better, we use no economy grades.
- First quality painted steel siding, roofing and trim.
- Sealer strips are run down the eave line and under the ridge cap.
- Our buildings are fully trimmed at the top and bottom.
- We use screws, not nails to apply our siding, roofing and trim metal.
- We insure all crew members, materials and equipment while on your job site.
- 6/12 roof pitch.
- House wrap on walls
- Ply-foil Insulation on roof
- 1' Overhang around the building with soffit and soffit vents
- Versa vent down peak
- Trusses 2' O.C. for customer to hang drywall
- Attached building to existing building gable to gable
- Blitz to pull local building permit
- Dumpster to haul away trash

**Optionals:**

**Level and grade the site with a gravel base, 4" concrete slab, wire, plastic, saw cuts,  
(2) 3'x 4' concrete aprons in front of man doors add: \$20,040**

**Includes tax, labor, and delivery**

For buildings less than \$25,000, to be constructed by Blitz Builders, if the customer has an acceptable credit rating a deposit of 1/3 of the contract amount is due when the contract is signed, 1/3 is due at materials delivery (paid to the transport driver), the final 1/3 is due at the completion of construction (paid to the construction crew foreman). Buildings priced at \$25,000 or over have a 4 payment schedule that includes a payment at completion of framing. Buildings priced above \$50,000 may require additional draws as work is completed.

Customers with less than acceptable credit rating MAY be asked to pay all up front or pay according to a payment plan which differs from the above described payment plans.

Freight is included in above prices.

Construction crews are typically scheduled to arrive within 10 business days after materials delivery, wind and weather conditions permitting.

This quote has taken into consideration the items contained in the Blitz Builders Policy Clarification.

Customers are urged to read and understand all items contained therein.
