

Head Timer – 2026 Season

Contract / Seasonal Position | May – September 2026

POSITION OVERVIEW

The Eastern Professional Chariot & Chuckwagon Association (EPCCA) is seeking a highly organized, detail-oriented Head Timer to oversee official race timing operations during the 2026 EPCCA Pro Tour.

The Head Timer is responsible for ensuring accurate, consistent, and timely recording of race times and will work directly with an Assistant Timer to support timing accuracy, redundancy, and efficiency. This role is critical to maintaining fair competition and the integrity of EPCCA events.

REQUIRED AVAILABILITY & TRAVEL

- Mandatory on-site attendance at all EPCCA Pro Tour events
- Events held across Saskatchewan and Western Manitoba
- Availability required every weekend from the third weekend in May through mid-September
- Ability to work extended hours, including evenings and weekends
- This is not a remote position

KEY RESPONSIBILITIES

Race Timing Operations

- Oversee and manage all official race timing for chariot and chuckwagon events.
- Coordinate timing duties with the Assistant Timer to ensure accuracy and redundancy.
- Ensure accurate recording of running times, including penalties as directed by Judges.
- Verify timing data for each heat, race day, and overall show results.
- Maintain consistency and accuracy across all timing equipment and systems.
- Coordination & Communication
- Work closely with EPCCA Judges, Track Officials, Announcers, and the Assistant Timer to ensure accurate and timely communication of race results.
- Provide verified timing information to EPCCA Administration for posting of daily and final results.
- Assist with resolving timing discrepancies in coordination with the review panel and race officials.

Reporting & Documentation

- Maintain detailed and organized timing records for each Tour Stop.
- Support calculation of daily standings, aggregate results, and driver points.
- Ensure all timing documentation is complete and submitted as required.
- Equipment & Systems
- Ensure timing programs and equipment are properly set up and tested prior to each event.
- Identify, troubleshoot, and report any technical issues with timing systems.
- Provide guidance and oversight to the Assistant Timer as required.

RULES, SAFETY & COMPLIANCE

- Adhere strictly to EPCCA Rules & Regulations at all times.
- Maintain confidentiality and professionalism when handling timing data and rulings.
- Follow all safety protocols and event procedures.

QUALIFICATIONS & SKILLS

- Strong attention to detail and accuracy.
- Excellent organizational and time-management skills.
- Ability to remain calm and focused in fast-paced, live-event environments.
- Comfortable working with timing software and technology (training provided).
- Strong communication skills and ability to lead and collaborate with a timing team.
- Previous race timing, officiating, or sports operations experience is an asset.
- Knowledge of chariot and/or chuckwagon racing is a strong asset.
- Reliable transportation and ability to travel extensively.

HOW TO APPLY

Interested applicants are invited to submit a brief resume or summary of experience as well as wage expectations by February 10, 2026 to:

President, Shane Hue
