PARTICIPATING CLUBS

We wish all our competitors THE BEST OF LUCK!

Former Soviet gymnast, Natalia Yurchenko is the 1983 Women's All-around World Champion and the creator of the Yurchenko vault and the Yurchenko loop.

Natalia started gymnastics at the age of seven after following her friend to a local gym. Only 4 years later she was accepted to be a member of the Dinamo Sports Society and to the Rostov-on-Don's Boarding School for Athletes.

While not even age eligible, she started traveling as an alternate for the National Team and attended the 1978 World Cup and 1979 World Championship to be shown to international judges. Natalia's first international competition was in 1978 at the Junior Friendship Tournament where she placed 5th all-around and won a gold medal on uneven bars and in the team competition.

In 1980, Natalia suffered a severe injury and it took more than a year to get back to competing.

Together with her coach, they decided to go back to competition only when she would be ready to be the best. So, they worked really hard on creating new routines, new elements and signature moves.

In 1982 Natalia won all meets of the season, including the USSR Cup and USSR Championship earning a spot to compete at the World Cup. There, she tied for the title with her teammate Olga Bicherova and also tied for first on vault, won balance beam and took second on bars.

Unable to compete in the 1984 Olympic Games, because of the USSR's decision to boycott the Olympic Games that year, Natalia, together with the Soviet gymnastics team competed in the Friendship Games where she won the gold medal on vault along with the team gold medal. After her retirement in 1986 Natalia continued to dedicate her life to gymnastics through

coaching and, in 1999, together with husband, Igor and daughter, Olga moved to the United States. Here, after coaching at Lehigh Valley Sports Academy and Lakeshore Academy of Gymnastics she is now the co-owner of the C.I.T.Y. Club Gymnastics Academy in Chicago, and Head Coach of Team Yurchenko, the girls' USAG Junior Olympic program. At C.I.T.Y. Natalia is able to fully bring her unique style and philosophy to coaching and mentoring aspiring gymnasts.

On May 17, 2014, Natalia was inducted into the International Gymnastics Hall of Fame in Oklahoma City.
