

CITRA SOLVE HD

ALL PURPOSE CONCENTRATED DEGREASER

GENERAL DESCRIPTION

CITRA SOLVE HD is a unique eco-friendly product that can perform heavy duty cleaning, degreasing and deodorizing functions without using harsh solvents and caustic chemicals. Its specific characteristics can dissolve, emulsify and suspend all types of soil conditions while leaving surfaces clean and with a pleasant citrus fragrance.

AREAS OF APPLICATION

Approved for use in Food Plants, CITRA SOLVE HD is used on all hard surfaces where food is cooked or processed, in commercial kitchens from ovens, ranges, deep fat fryers, filters, hoods, stainless steel, tiles, floors, walls and all food surface areas. It is an excellent cleaner and deodorizer for garbage and compactor rooms.

SPECIAL FEATURES

CITRA SOLVE HD is non-butyl, environmentally safe, contains no free alkalise and is harmless to normal skin

CITRA SOLVE HD is safe for use on all washable surfaces

CITRA SOLVE HD's fresh citrus scent makes it pleasant to use and leaves a fresh deodorizing scent

USE DIRECTIONS

After diluting according to the recommendations below, spray on the surface, allow adequate time for penetrants and degreasers to work and then rinse off (For ovens, apply to warm but not hot surfaces):

Light Cleaning: dilute 1 part Citra Solve HD with 40 parts water

Medium Cleaning: dilute 1 part Citra Solve HD with 10-20 parts water

Heavy Cleaning: dilute 1 part Citra Solve HD with 5 parts water

Caution: Painted surfaces may be affected in concentrated form. Test product first.
