

URINAL WISE

Heavy Duty Urinal De-Scaler

GENERAL DESCRIPTION

A safe treatment for urinal drains to dissolve Uric Acid and Calcium Scale deposits which are the main causes of slow moving drains and foul odours in bathrooms.

AREAS OF APPLICATION

Any and all Urinal Drains in any commercial, industrial or institutional facility

SPECIAL FEATURES

Fast acting formula that requires no mixing. Safe on plastic, copper and ABS pipes. It saves money by reducing time and labour involved in removing urinals and snaking drains.

USE DIRECTIONS

Pour 250ML of Urinal Wise full strength directly into the drain. Allow to stand for 3 minutes then flush out with water. This may need to be repeated depending on the calcium build up. Use Urinal Wise at the rate of one application per week as a preventative maintenance measure.

PACKAGING

4*4Litre Cases / 20Litre Pails
