

Normandy Retirement Living

November 18, 2024

We've been working with Len and his team at Mac & Co. for many years, and their service has always been exceptional! From grease trap maintenance to hood cleaning, they've consistently delivered top-notch results.

Recently, they expanded their offerings to include housekeeping supplies and cleaners, which has made our experience with them even better. Len and his team go above and beyond to ensure customer satisfaction, and their professionalism is second to none.

A special shout-out to Conner, who is always professional, respectful, and an absolute pleasure to work with. Thank you, Mac & Co., for your outstanding service! Highly recommend!
