Welcome Back

Dear Families,

We are excited to welcome you and your child back to Lee Autism Academy for what promises to be a wonderful new semester! Our team is refreshed, energized, and ready to continue supporting your child's growth across academics, life skills, and social-emotional development.

Beginning this February, we will be holding Individualized Education Plan (IEP) meetings to review your child's progress and outline next steps. These meetings will include updates on academic achievement, skill development, behavioral goals, and—if your child receives them—occupational therapy and speech services.

We look forward to partnering with you to ensure your child's continued success. Thank you for being such an essential part of our community!

Warmly,

Dr. Jennifer Andoscia
