2020 ART CONTEST WINNER

Congratulations Tyesha Smith for winning our 2nd annual art contest.

Great job Tyesha!

Thank You!

We are so thankful for your donations, volunteers, social media shares and thoughtful words! We could not do what we do without YOU!

How can you continue to help?

Our hearts go out to everyone pushing through 2020! Like to many of our neighbors, we too have experienced setbacks in working towards our mission.

We receive a large portion of our operating funds from our annual fundraiser which has been postponed, indefinitely.

Freedom Ranch could really use YOUR help!!

Your donations help us serve our current animal residents and allow us to grow so we can open our doors to more animals in need.

FREEDOM RANCH WELCOMES DR. MOZZACHIO & TEAM

Dr. Kristie Mozzachio, world-renowned veterinarian specializing in pigs, brought her amazing team to Freedom Ranch to see our pig babes!

All our pig residents received a checkup, tusk and hoof trims, and most importantly, belly rubs and animal crackers.

Thank you
Dr. Mozzachio!

A Note from Our Cofounder

Dear Freedom Ranch Supporters,

I'm honored to be given the opportunity to express my thoughts as part of our first ever Freedom Ranch NC newsletter!

This year has definitely shaped up to be one of the most remembered times in all our lives. There have been so many challenges and unthinkable changes that will forever impact the way we go about our daily lives.

Growing up, my dad always kept me focused on the *now*, not what happened in the past or may happen in the future. We live in the *now* and need to embrace that. Every day I wake up thankful for my life and everything in it.

I have many passions - our planet, the environment, nature, sustainability, and LIFE. So, let's talk about life. Not my life, but the lives of innocent animals. As the co-founder of Freedom Ranch NC I, along with my founding partner and board of directors have committed ourselves to providing a safe and loving home for animals who need a second chance to live out their lives in a peaceful environment with the best care possible. Freedom Ranch NC is also committed to wildlife rescue release, education, and community service.

I'll cut to the chase and say that this year has been a bit of a step backwards into that place my dad said I should never go... the past. Our biggest fundraising event was cancelled in May and several corporate donors pulled out of their commitments, justifiably to re-allocate funds to help support their businesses. With that being said, many of our goals and plans for future expansion have been halted as we try to make ends meet with limited funding.

We need your continued support so that Freedom Ranch NC can continue with our mission.

Please help us today by donating, volunteering, and sharing our cause. There are so many ways you can help and be part of one of the most amazing things that I am so thankful to be a part of.

As always, I love all of you and appreciate the support. Please stay safe and healthy!

Sincerely,

Sean C. Fallon
