# JUNIOR DEPARTMENT YEAR 8 STUDENT ASSESSMENTS 2021-22

Name: Jenna Liang

Assessment: Saturday 30 April 2022

Date of Birth: 12 May 2009

Current school year: 8

Panel Specialist: Andrew Zolinsky

1st study: Piano

Piece: *Beethoven: Pathétique, 1st Mvt.*

Remarks (particularly technical points, quality of performance, quality of preparation etc.):

*This was very well-prepared and displayed great technical assurance. Possibly the opening 'Grave' section needed greater rhythmic + dramatic tension, but the Allegro sections showed much more dramatic flair and clarity of detail. In the development section try to keep the dynamic level down where it is marked to help create a more disturbing atmosphere.  
Some very strong playing throughout.... BRAVO!*

Sight reading:

Standard (expressed as ABRSM grade equivalent):

*No. 13*

*- kept going well, but you need to take more notice of the key signature!*

# Pianist Story

Jenna Z Liang, 12 years old, born in Vancouver, Canada, is currently studying at Wycombe Abbey School – the best girls' boarding school in UK. She began playing piano at age 4 and has since been showing great passion and potential in music. After eight years of consistent practices under the guidance of her outstanding teachers, Jenna has grown into a rising young pianist. She is now learning piano with David Vandereyk in Vancouver and will further study with Professor Jia Ning Kong at the Junior Department of Royal College of Music in London, UK, starting in September 2021.

Jenna participated in many charity events and at an early age, began being recognized for her young talent in various Canadian and international piano competitions. She won first place in the Crescendo International Competition and was invited to perform at Carnegie Hall in New York, USA when she was 6 years old. She attended the Vancouver Kiwanis Music Festival and Canada International Multi-Culture Art Festival in 2016 and was awarded many gold medals. She won third place at the National Finale during the Canadian Music Competition (CMC) 2017. In 2018, Jenna was invited to compete in the 26th International Fryderyk Chopin Piano Competition for Children and Youth and was granted the Distinction prize in her age group. She was one of the first Canadian Young Artists Standards of Excellence Awards Winners in 2018.

Jenna had participated in international summer school of Tchaikovsky Moscow State Conservatory in August 2017, 9th international piano masterclasses in Katowice Poland, the 22nd Casalmaggiore International Music Festival in July 2018. She has performed with Rimski-Korsakov String Quartet of St. Petersburg in February 2019. She gave her first concerto performance with Orchestra Citta' Di Grosseto, Italy in July 2019. During the same year, Jenna also completed all masterclasses for the 2019 Talent Music Summer Festival in Brescia, Italy, and the 2019 USA Musical & Art Exchange International Piano Festival in Philadelphia, USA. At age 11, she successfully passed the RCM Level 10 piano exam and at age 12, the ARCT piano exam.

Besides piano, Jenna also plays viola and flute at school. She likes singing and dancing with her friends in her spare time. She is also a strong public speaker, having won several prizes in the national and international public speech competitions. She can speak six languages, namely English, French, Mandarin, Spanish, Latin and Greek. Her favorite sports are basketball and volleyball.

Jenna is looking forward to performing and expressing her gratitude to all her teachers, friends and Tom Lee Music for their support and help along the way. Hope you enjoy her music!
