

About Our School:

Our centers and our partnered School are located in most of the first and second tier cities in China.

Our main centers are located in Ningbo which we use Helen Doron's methodology to help kids to learn English in a fun and stressless way. All the centers are designed in a playful, clean and comfortable concept.

All our center/partnered schools has the qualification of Education/English teaching which are credited by the Education Bureau and can provide legitimate employment visa for eligible foreigners.
