To Whom It May Concern:

It is my pleasure to write this letter of recommendation for Natalie R. Ferguson / Colgan. I would like to express my respect and appreciation to Mrs. Natalie R. Ferguson / Colgan who has brought outstanding contributions and knowledge to our operation from Nov 2013 through the present date.

Natalie has been the Chief Stew / Mate / Chef aboard MOONRIVER, which during this period she has been responsible for the continued over watch, organization of all interior spaces and general condition of the interior assets aboard. She has also has been the Chef aboard, which she has prepared flawlessly gourmet 5 course meals at times for up to 8 guests.

Her warm personality, hardworking dedication to present beautiful spaces, and overall sincerity towards others, make her a high asset team member.

It is without reservation that I can give her the highest recommendation for any yacht based program and a valuable crewmember.

Sincerely,

A handwritten signature in black ink, appearing to read "Guy Alex White". The signature is fluid and cursive, with a large loop at the end.
