## Little about me

I'm a current collegiate softball athlete with a deep passion for the game and a drive to share what I've learned with the next generation of players. Competing at the college level has allowed me to live and learn the game at a high level—both mentally and physically—which I bring into every coaching session. Throughout most of my athletic career, I've been coached and mentored by Debbie, whose guidance has shaped not only my skills but also my approach to leadership and player development. Now, as I step into coaching, I'm excited to pass on fresh knowledge, build confidence, and help student-athletes grow both on and off the field.
