

**Rapsodo**  
measure  
to master.

## Rapsodo Testing & Membership

**Rapsodo is designed to help pitchers make adjustments instantaneously. This high-tech product captures everything from spin rate, spin axis, vertical and horizontal break, and strike zone accuracy and is displayed in the moment. Rapsodo allows the player and coach to see and understand your entire pitch arsenal. Not only can these measurements help the player adjust but is a great tool to help with the recruiting process.**

Have access to your Rapsodo numbers all month long with the Rapsodo membership for \$15 a month.

### **Testing Price:**
